

Total Prepare School PAC Program

Total Prepare is pleased to support PAC fundraising efforts and has launched a streamlined process for PACs to access the program. A portion of every qualifying purchase (eligible items with links below) goes back to the school, making this a great way to prepare and give back at the same time.

How It Works

- Download the Order Form & PAC Catalog documents
- PAC members collect order information and payment from parents and fill in order quantities and contact details on the order form
- Submit the order form to hello@totalprepare.ca
- We will review your order, confirm eligibility and shipping details, and apply a 15% referral fee and process your request
- Your PAC can then remit the remaining funds to the school

The Details

Shipping

In order to provide a 15% referral fee on PAC orders, shipments need to be delivered to one centralized location, ideally the school but we can make other arrangements if needed.

Total Prepare reserves the right to charge additional shipping fees for rural locations. Total Prepare will review your order upon submission and will notify you if additional charges are applicable before your order has been placed.
